In order to remain enrolled in this program after initial eligibility, a provider must continue to receive payments for the care of a subsidized child for one of three months, according to the program continuing eligibility lookback period.

For an initial eligibility date of:	Lookback period (must have worked with a subsidized child for at least 3 of the 6 months in the period):
January 1	April 1 through September 30 of the prior year
April 1	July 1 through December 31 of the prior year

DUAL MEDI-CAL/MEDICARE SPECIFIC BENEFITS

PERMISSIBLE EXPENSES

Providers enrolled in Dual Medi-Cal/Medicare as their qualified health plan will receive \$100/month to help pay for any eligible expenses not covered under the Out-of-pocket reimbursement benefit. For a list of acceptable expenses, please visit www.nalchbp.org/pdf/IRS-213d.pdf. These funds must be spent on eligible expenses and **cannot** be withdrawn as cash.

It is important you obtain and retain proper receipts in the event you need to provide a receipt of your purchases.

Providers approved for the Healthcare Reimbursement Fund can also request reimbursement for eligible expenses they paid out of pocket for. If you paid an office visit co-pay out of your own pocket, you can request to be reimbursed by direct deposit or check. The date of service must be during the time you were enrolled in this program.
